### Band Uniforms Arrive, Active Senson's Plans Include Parades, Banquet

After many years of waiting, the Ypsilanti High School-Community Band was able to obtain new uniforms in time for the Decoration Day Ceremonies.

These uniforms were made possible by the kind support of the various organizations and clubs of Ypsilanti, as well as the townspeople who contributed to the fund.

A benefit program was given April 8, to obtain funds, and a large audience was entertained by both local and outside talent.

In the past year, the Ypsilanti High School Community Band has played many times for many organizations. Besides playing at High School football games and pep meetings, the band marched in the Normal College Homecoming parade. On Thanksgiving Day the band marched in the Hudson parade in Detroit.

The High School-Community Band has been invited to attend the Board of Commerce Banquet at Washtenaw Country Club, June 8.

Plans are being made to take the band to Jackson June 24, to play at the Jackson Centennial Celebration.

## Seniors Edited This Sem

This issue of the Ypsi Sem was written, composed, and edited by seniors of the journalism class. Being the last of this school season, we have attempted to summarize as much of senior class and school activities as possible, and still leave room for news.

Though perhaps there were no flashing victors on our varsity line-ups, no brilliant orators (except one, maybe) on our Forensic programs, we have had a happy and successful four years here. We are proud to graduate from an institution so well looked upon as our own, and will never forget the good-natured groups we leave.

On behalf of the seniors of the journalism department, let me express our appreciation of the opportunity offered by the faculty, the Student Council, and Mr. McLaughlin, in backing this publication. We thank also the student body who have supported and contributed in a way that helped a lot. Next year's paper will be better for sure, not only because of its new staff (it's hard to admit) but through experience gained by the old journalists of this year.

## Farewell Miss Hardy

The one person most closely connected with senior activities at Ypsi High leaves this year. After thirty-five years' active duties, Miss Carrie Hardy leaves the place deeply thankful to her for her hearty spirit, and apt cooperative skill. Besides teaching a difficult subject, to say the least, she offered a notable example to the graduating classes. The class of '36 congratulates their sponsor, and we certainly are proud to graduate with her—(Aint love grand?)

## SENIORS! LEARN THIS

A new style has been developed by the composers of the Class Song for 1936, Noreen Carr and Robert Gooding. Instead of the mournful sounds so common in the songs of graduating classes the tune belies the words with its gaiety. The words are the following:

### First Verse

Our school days have been happy,  
We hate to see them through.  
Our dances and our contests  
We've enjoyed because of you.  
And we are now so thankful  
For the times we've had,  
At such a time as this one  
We should not be so sad.

### Chorus

So long, dear old Ypsi  
And teachers dear and true.  
We're sorry we are leaving  
And hope that you are too.  
So long, dear old Ypsi.  
Our school days now are through;  
And we'll be leaving you  
And grieving too,  
While singing you this song.

### Second Verse

Though we have spent the hours  
In dancing and in fun,  
We should have saved the grinding  
Until our work was done.  
Yet with our singing, cheering,  
We've reached our journey's end,  
So now you see us smiling,  
We're happy once again.

## P.T.A. Holds Last Meeting For Year

The last P. T. A. meeting was held Tuesday, May 1. Mrs. Ernest Chapelle presided. Miss Lidke gave the secretary's report. Mrs. Harry Faulkner, treasurer, reported that the treasury now held over \$100.00.

Reports were given about the Health Clinics that were held in school and sponsored by the P. T. A. and about the penny supper, which Mrs. Fletcher quoted a financial success.

Tap dancing was done by Betty Cione, Barbara Orr, Ellen Camp, and Rose Mary Ryan. Betty Felkamp, Ruth Fluelling, and Miss Grace Bourassa gave a skillful tap dancing number.

Mrs. George Carr reported on the State Parent Teachers meeting held in Benton Harbor on April 28, 29, 30, and May 1.

Refreshments were served at the close of the meeting.

# Ely Pitches No Hit Game Over Wayne

## Lidke Hits Home Run With Bases Loaded

### Royal, Ely, Bat Wayne Team Down

With marvelous control, Robert Ely, senior right-hander pitched a no-hit, no-run game against Wayne, Wednesday, May 27, as Ypsilanti defeated Wayne 4-0.

Bob might have had a perfect game but for the errors made by his team-mates. Errors by Herbst, Lidke, and Wilson, enabled Wayne to put four men on the bases in different innings.

With the bases loaded in the third inning, Maurice Lidke hit a long fly which should have been caught, but went over the left fielder's head for a triple, and on the relay Lidke scored the fourth Ypsilanti run.

Raymond Royal led the Brave attack by collecting three hits out of three times at bat, Bob Ely was next with two hits, and Lidke, and Thayer getting one apiece.

## Braves Quintet Lose Four Games

During the basketball season for the year of 1935-36 Ypsilanti played a series of two games with Twin Valley League member schools.

The season was opened with a game with Jackson High, a Class A school. Ypsi was nosed out by a score of 16-15. River Rouge was Ypsi's next opponent, and as they are a league member, two games were played; Ypsi won the first game 21-17, on their own floor, and lost their second game to Rouge on their floor, 28-28.

The Plymouth games were played on Dec. 20, and Jan. 31, with Ypsi winning both games. The first game was won by a score of 36-21, and the second 38-17, but in the next series with Dearborn Ypsi split, winning the first, and losing the second.

Wayne was the next league rival for Ypsilanti, but proved no match for the fast Ypsi quintet, losing both games with scores of 31-21, and 32-16. Monroe was the second Class A school for Ypsi, and again Ypsi was defeated, Ecorse was next, and Ypsi won both games from them.

Ann Arbor closed the regular season for Ypsilanti, in a close and rough game, with Ypsi losing 26-25.

After winning the District tournaments, Ypsi advanced to the final round of the Regionals, but was nosed out by Adrian.

## Pins Chosen For Secretarial Work

Pins were chosen at the last meeting of the Secretarial Club, which was held on Wednesday, May 27. These pins will serve as souvenirs for most of the girls as the club consists almost entirely of senior girls.

The pins are to be gold with an ink bottle and a quill in the center. The word "Commercial" is written across the top and the letters "Y. H. S." at the bottom.

A picnic was planned for Thursday, June 4, to take place at Recreation Park after the class exams at 5:00 p. m. Lilymae Davidson and Ruth Cannon planned the menu and secured the supplies.

About twenty dollars was made during the year in connection with a booth at the fair, and the sale of Gregg pencils. Dues were fifty cents a semester. Seven dollars will be left in the treasury as that was the amount in the treasury when the club was organized after a lapse of a year when no club was organized. This will leave a sum to encourage the next students to carry-on for the club.

## Seniors Entertained By Undergraduates

The last homeroom program of the year for Seniors was of a different type from any given during the past. The auditorium was engaged and certain members of the 9th, 10th and 11th grades entertained the Seniors with some presentation of talent.

Dean Fosdick, chairman of the program, announced the acts.

Bernard Townsend played two instruments at once. Kenneth Sparks sang "A Wee Bit of Heaven" and then "A Long Way to Tipperary". Eugenia Cummings tap danced. Virginia Tyler, Mary Esther Ross and Joyce Corbeille tap danced with Virginia Kidwell playing the piano. Kenny Thayer sang "Cloe". Geraldine Walters sang "Robins and Roses". ## Mrs. Montgomery And Class See "Hamlet"

Hamlet may have seemed dull to some who have struggled through the pages of Shakespeare's masterpiece, but the Dramatics Class obtained an all together different opinion of the Tragedy. Perhaps seeing it presented on the stage with Ian Keith, as Hamlet, Estelle Winwood, as queen Gertrude, and George Somnes, in the role of Claudius, king of Denmark, helped to make it easier to take.

The supporting cast of Ophelia, Doris Dalton; Laertes, Alan Handley; Francisco, Charles Maxwell; Bernardo, Brant Gorman, and Marcellus, Raymond Greenleaf. They in turn were supported by a host of others too long to mention here.

Mrs. Montgomery took the class to Ann Arbor to see the production at the Lydia Mendelssohn Theater, in the League Building, Wednesday, June 3.

## Injuries To Regulars Cause Many Defeats

The Ypsilanti High School Munies opened their football season with a blazing victory over Milford, defeating them by a score of 25-0. The next rival was Jackson High School, Ypsi losing to them in the last three minutes of play, 8-0. This was the best game of the year. Next on the schedule was Lincoln Park which was a new opponent for Ypsi. This game ended with Ypsi on the long end of the score, 5-0.

The following week Ypsi journeyed to Dearborn to encounter Dearborn High School which was Ypsi's first league game of the season with Ypsi winning 7-0. Ecorse came to Ypsi for the next game and defeated Ypsi 12-6, but Ypsi was handicapped with two of its regular back-field men on the bench with injuries. Wayne was the next opponent for Ypsi and after a long hard fought battle the game ended in a 6-6 tie.

River Rouge was Ypsi's third league opponent. The game was played on Alumni Field with Ypsi again losing with a small score, 9-0. Ypsi journeyed to Plymouth the following week to play their final game of the season, and again they were defeated by a score of 8-0. Due to an accident, Blissfield was forced to cancel their game with Ypsi which was to be Ypsi's closing game.

## Seniors Take Education Cup

By a margin of one half point the Class of '36, has again taken the Board of Education Cup. Their score in points is 47, and that of their closest rival, the Sophomores, is 46½. Next are the Juniors with 27, and the ninth grade is last with a score of 26½.

In their sophomore year the Class of '36, won the cup, and again in their junior year. The third victory gives them a record in Ypsilanti High School which has been achieved one other time only.

Activities which give points are the following, interclass: basketball, baseball, swimming, track, golf, tennis, volley-ball, hockey, oration, short-story, essay, declamation, and extemporaneous. Of these activities there are several which are open only to different divisions of the high school. The Declamation Contest is open to ninth graders and Sophomores only, as is the Short-Story Contest. The two upper grades have Essay and Oration to themselves. In the speech line, if only one class is represented in a contest, that class is awarded eight points, while if other classes were represented the first place would count only eight points.

Throughout the school year a great battle was waged, and with a victory hanging by half a point only the Seniors wish the Sophomores "Better Luck next time, when we won't be here."

## Ypsi Brass Quartet

### Places In Contest

Taking up the duties left by the brass quartet of '35" the quartet of '36" composed of Robert Gooding, Lionel Fulton, trumpets, Kenneth Thayer, and Bernard Hughes, Trombones, began practice early in the school year in hopes of entering the National Band Contest for High Schools held in Cleveland May 14, 15, and 16.

The quartet practiced hard and often on "Pizzicato Polka", the piece selected to be played at the contest.

For experience, the boys played at the numerous clubs, etc., in town, such as Kiwanis, Knights of Pythias, Math Club of the Normal, and others.

Time for the contest came, and the quartet was entered. Robert Gooding was also entered as a soloist. Robert played his solo at 12:44 Thursday, May 14, and made a very fine showing. The quartet played later the same day, and placed fourth.

Mr. Wiltse accompanied the boys to Cleveland, and the boys remained until the end of the contest, which was very interesting.

## Greenfield Village Site For Field Trip

Two field trips have been taken recently by the Physics Classes, under the sponsorship of Mr. Sinden. The first of these trips was taken May 18, when the classes went to Greenfield Village. Upon their arrival the students were shown the exhibits by guides who expalined their significance.

One of the members of the party states, "Next to the refreshment stand, Menlo park was the place which held the most interest for the classes."

After completing the tour of the Village, the group visited the Museum, which is still under construction, but which, they stated, was very interesting.

On May 28 the classes spent the afternoon at the Golde-Patent Company, where electro-plating was explained, and later they went to the Bell Telephone Company Offices.
